

HEY, FVSSN SIBLING BOYS!

**What could be better than having fun at a Sibshop designed
JUST FOR BOYS ages 6 through teens?
---Dads or big brothers welcome!---**

Having a sibling with special needs gives brothers an opportunity to become leaders. But often the experience can be frustrating and challenging. Brothers benefit when they have the tools to face obstacles with confidence, patience and self-control.

The H.U.L.K. Sibshop is JUST FOR THE GUYS to have fun with other guys while practicing skills important to brothers....and Dads, or other adult guys you look up to. You'll get plenty of time to play and no problem if the weather outside isn't the greatest...it's all inside at the Player's Choice.

Date: Saturday, March 13 **Cost: \$10/person** (includes Laser tag, pizza & soda) **Time: 1 pm – 4 pm**
