

SIB Camp 2008

The Team Leadership Center (TLC), "Door County's Adventure Center" is a place for learning, challenge, success and fun. TLC has provided an annual SIB Camp experience to youth in Door County for many years. Over the past two years TLC has partnered with the Fox Valley SIB Support Network (FVSSN) to offer two unique SIB Camp options to the families in all of Northeast Wisconsin. Sib Camp is an opportunity to share stories and experiences with peers who truly understand the ups and downs of life with a sibling with special needs. Both of these adventures are a chance to relax, have fun and "Celebrate Me!"
